Resolution 1 – Adoption of Remuneration Report

In accordance with section 250R(2) of the Corporations Act, the Company is required to present to its Shareholders the Remuneration Report as disclosed in the Company's Annual Financial Report.

The vote on the Resolution is advisory only and does not bind the Directors or the Company. The Remuneration Report is set out in the Company's Annual Financial Report and is also available on the Company's website at www.madpaws.com.au/investor-centre/asx-announcements/.

However, if at least 25% of the votes cast are against the adoption of the Remuneration Report at the Meeting (subject of this Notice of Meeting), and then again at the 2023 Annual General Meeting (**2023 AGM**), the Company will be required to put to the vote a resolution (**Spill Resolution**) at the 2023 AGM to approve the calling of a further meeting (**Spill Meeting**). ASX Listing Rule 7.1A

Resolution 4 – ASX Listing Rule 7.1A Approval of Future Issue of Securities

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to add an additional 10% capacity.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation less than the amount prescribed by ASX (currently \$300 million).

As of the date of this Notice of Meeting, the Company has a market capitalisation of approximately \$46 million and therefore is an eligible entity. If at the time of the Meeting the Company is no longer an eligible entity this Resolution will be withdrawn.

This Resolution seeks Shareholder approval by way of a special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

Information Required by ASX Listing Rule 7.3A

The following information is provided to Shareholder for the purposes of Listing Rule 7.3A.

Period for which the approval will be valid

An approval under this Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (a) the date which is 12 months after the date of the annual general meeting at which the approval is obtained;
- (b) the time and date of the entity's next annual general meeting; and
- (c) the time and date on which Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

Minimum price at which the equity securities may be issued under Listing Rule 7.1A

Any equity securities issued under Listing Rule 7.1A.2 must be an existing quoted class of the Company's equity securities and issued for cash consideration.

The issue price per equity security must not be less than 75% of the volume weighted average market price of the equity securities in that class, calculated over 15 trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at the equity securities are to be issued is agreed by the Company and the recipient of the equity securities; and
- (b) if the equity securities are not issued within 10 trading days of the date in paragraph (a), the

date on which the equity securities are issued.

Purposes for which the funds raised by an issue of equity securities under Listing Rule 7.1A may be used

As noted above, any equity securities issued under Listing Rule 7.1A.2 must be issued for cash consideration. Accordingly, every issue of equity securities under Listing Rule 7.1A.2 will have an accompanying proposed use of funds at the time of issue.

As at the date of this Notice, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A during the Listing Rule 7.1A mandate period, if Shareholders approve this Resolution. However, if Shareholders approved this Resolution and the Company did raise funds from the issue of equity securities under Listing Rule 7.1A, based on the Company's existing plans, the Company considers that the funds may be used for the future growth of the Company.

Risk of economic and voting dilution to existing ordinary Securityholders

If this Resolution is approved, and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders' economic and voting power in the Company will be diluted.

There is a risk that:

- (a) the market price for the Company's equity securities in that class may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and
- (b) the equity securities may be issued at a price that is at a discount (as described above) to the market price for the Company's equity securities on the issue date;

which may have an effect on the amount of funds raised by the issue of equity securities under Listing Rule 7.1A.

The table below shows the potential dilution of existing Securityholders on the basis of 3 different assumed issue prices and values for the variable "A" in the formula in rule 7.1A.2:

Variable "A" ASX Listing Rule 7.1A.2		Potential Dilution and Funds Raised

Notes:

- (a) Based on the total number of fully paid ordinary Shares on issue as at 12 October 2022.
- (b) Based on the closing price of the Company's Shares on ASX as at 12 October 2022.
- (c) The table assumes that the Company issues the maximum number of ordinary Shares available to be issued under Listing Rule 7.1A.
- (d) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of issues of equity securities under Listing Rule 7.1A based on that Shareholder's holding at the date of this Explanatory Statement.
- (e) The table shows the effect of an issue of equity securities under Listing Rule 7.1A only, not under the Company's 15% placement capacity under Listing Rule 7.1.

Allocation policy for issues under Listing Rule 7.1A

The Company's allocation policy and the identity of the allottees of equity securities under Listing Rule 7.1A will depend on a number of factors, including:

- (a) the Company's intentions in relation to the possible issue of equity securities (for cash consideration) during the Listing Rule 7.1A mandate period;
- (b) the structure and timeframe of the capital raising opportunities available to the Company and any alternative methods for raising funds that are available to the Company (such as a pro rata offer or an offer under a share purchase plan);
- (c) the potential effect on the control of the Company;
- (d) the Company's financial position and the likely future capital requirements; and
- (e) advice from the Company's corporate or financial advisors.

Based on the Company's historical cashflow reports and capital raising activities in the past 12 months, the Company considers that it may raise funds during the Listing Rule 7.1A mandate period, although this cannot be guaranteed. Aside for the issue of securities seeking shareholder approval at the 2022 Annual General Meeting, as of the date of this Notice, no specific intention no specific intention to issue equity securities in relation to any parties, investors or existing Securityholders have been formed. In addition, no intentions have been formed in relation to the possible number of issues, or the time frame in which the issues could be made. Subject to the requirements of the Listing Rules and the Corporations Act, the Board of Directors reserve the right to determine at the time of any issue of equity securities under Listing Rule 7.1A, the allocation policy that the Company will adopt for that issue.

If and when the determination is made to proceed with an issue of equity securities during the Listing Rule 7.1A mandate period, details regarding the allottees and purposes of issue will be disclosed pursuant to the Company's obligations under Listing Rules 3.10.3 and 7.1A.4.

Offers made under Listing Rule 7.1A may be made to parties (excluding any related parties) including professional and sophisticated investors, existing Shareholders of the Company, clients of Australian Financial Service Licence holders and/or their nominees, or any other person to whom the Company is able to make an offer of equity securities.

Issue or agreement to issue equity securities under Listing Rule 7.1A in the 12 months prior to AGM

The Company has issued or agreed to issue equity securities under Listing Rule 7.1A.2 in the 12 months preceding the AGM. Details of these issues or agreements to issue are set out in the table below:

Directors' recommendation

The Board of Directors recommend that Shareholders vote for this Resolution.

Issue of Shares to Directors

Resolutions 5 – 10 – Approval of Issue of Shares to Directors of the Company

Background

Resolutions 5 –10 seek Shareholder approval to issue fully paid ordinary shares in lieu of Director Fees and Executive Remuneration:

- (a) up to the value of \$60,000 to Mike Hill a Director of the Company (Resolution 5)
- (b) up to the value of \$80,000 to Jan Pacas a Director of the Company (Resolution 6)
- (c) up to the value of \$125,000 to Justus Hammer, Managing Director of the Company (Resolution 7)
- (d) up to the value of \$60,000 to Josh May a Director of the Company (Resolution 8)

- (e) up to the value of \$60,000 to Vicki Aristidopoulos a Director of the Company (Resolution 9)
- (f) up to the value of \$30,000 to Howard Humphreys a Director of the Company (Resolution 10)

(together, the **Remuneration Shares**)

The Remuneration Shares are being issued to each of the Directors in lieu of cash remuneration for the period 15 September 2022 to 14 September 2023. The Directors elected to sacrifice a portion of their remuneration to acquire shares in the Company over the period under the Company's Employee Share Plan.

The proposed issues will be a cost effective and efficient method to remunerate the Directors and employees and preserve the Company's cash reserves.

ASX Listing Rule 10.14

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following person to acquire securities under an Employee Share Plan Scheme unless it obtains the approval of its shareholders:

- (a) a director the Company;
- (b) an Associate of a director of the Company;
- (c) a person whose relationship with the Company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders.

As each of the persons in Resolutions 5 – 10 are Directors of the Company, the proposed issue of Remuneration Shares constitutes the acquisition of securities under an Employee Share scheme for the purposes of Listing Rule 10.14 and therefore requires the approval of the Company's shareholders under Listing Rule 10.14.

To this end, Resolutions 5 – 10 seek the required Shareholder approval to issue the Remuneration Shares under and for the purposes of Listing Rule 10.14.

If approval is obtained under Listing Rule 10.14, in accordance with Listing Rule 10.12 (exception 8), separate approval is not required under Listing Rule 10.11. If Resolutions 5 – 10 are passed, the Company will be able to proceed with the proposed issue of Remuneration Shares.

If Resolutions 5 – 10 are not passed, the Company will not be able to proceed with the proposed issues and the Director's remuneration will revert back to cash in lieu of the Remuneration Shares as proposed in the Resolutions.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions to the provisions; or
- (b) Shareholder approval is obtained prior to the giving of the financial benefit.

The proposed issue of Remuneration Shares (which is a type of equity security, for the purposes of the Chapter 2E of the Corporations Act) constitutes the giving of a financial benefit.

A "related party" for the purposes of the Corporations Act and the Listing Rules is widely defined and includes a director of a public company, a spouse of a director of a public company or an entity controlled by a director of a public company. The definition of "related party" also includes a person whom there is reasonable grounds to believe will become a "related party" of a public company.

For each Director for whom the issue of Remuneration Shares were considered, the other non-conflicted Directors considered the proposed issue, and formed the view that the giving of the

financial benefit to that Director was reasonable remuneration given the circumstances of the Company, the quantum of the Remuneration Shares and the responsibilities held by that Director in the Company.

Accordingly, the non-conflicted Directors of the Company believe that the issue of these Remuneration Shares to each of the Directors fall within the “reasonable remuneration” exception as set out in section 211 of the Corporations Act and relies on this exception for the purposes of this Resolution. Therefore, the proposed issues of Remuneration Shares requires Shareholder approval under and for the purposes of Listing Rule 10.14 only.

Information required by ASX Listing Rule 10.15

The following information in relation to the issue of the Remuneration Shares to Directors of the Company is provided to Shareholders for the purposes of ASX Listing Rule 10.15:

(a) The Remuneration Shares will be issued to the related parties as follows:

- (i) Mike Hill (Resolution 5);
- (ii) Jan Pacas (Resolution 6);
- (iii) Justus Hammer (Resolution 7);
- (iv) Josh May (Resolution 8);
- (v) Vicki Aristidopoulos (Resolution 9); and
- (vi) Howard Humphreys (Resolution 10)

(b) Each of the persons in Resolutions 5 – 10 are Directors of the Company.

The maximum number of Remuneration Shares to be issued will be determined on a monthly basis by dividing the monthly directors’ fees sacrificed and payable by the monthly VWAP for Shares in arrears for each month (calculated from the first trading day until ending on the last trading day of that month of ASX) less a discount of 10% for the period from the date of 15 September 2022 to 14 September 2023 and any fractions of Remuneration Shares resulting from the calculation will be rounded down to the nearest whole number.

The maximum number of Remuneration Shares which may be issued to each of the persons in Resolutions 5 – 10 is not certain because the number of Remuneration Shares to be issued to is based on the monthly VWAP for Shares to which the fees relate and as at the date of the Notice of Meeting this cannot be calculated for the future months.

However, the Company may issue up to a maximum of 3,192,308 Remuneration Shares concerning Resolutions 5 – 10 which represents a floor price of \$0.13 per share, being the monthly VWAP for August 2022, based on the average monthly VWAP over the period. For Resolutions 5 – 10 the issues will be as follows:

- i. Up to the value of \$60,000 in Remuneration Shares will be issued to Mike Hill (Resolution 5); and
- ii. Up to the value of \$80,000 in Remuneration Shares will be issued to Jan Pacas (Resolution 6);
- iii. Up to the value of \$125,000 in Remuneration Shares will be issued to Justus Hammer (Resolution 7);

- iv. Up to the value of \$60,000 in Remuneration Shares will be issued to Josh May (Resolution 8);
- v. Up to the value of \$60,000 in Remuneration Shares will be issued to Vicki Aristidopoulos (Resolution 9).
- vi. Up to the value of \$30,000 in Remuneration Shares will be issued to Howard Humphreys (Resolution 10).

The following table sets out the possible dilutionary impact the Remuneration Shares, for Resolution 5 – 10, may have on existing Shareholders of the Company. The figures below are indicative only as it provides a possible average for the issue price of the Remuneration Shares, and therefore, the maximum number of Shares that could be issued by the Company. No securities have previously been issued to relevant persons under the Scheme.

Issue of Shares

Resolution 11 - Approval of Issue of Shares to Justus Hammer, Managing Director of the Company

Background

This Resolution seeks Shareholder approval to issue and allot a maximum of 205,674 fully paid ordinary shares to Justus Hammer, Managing Director of the Company.

The Directors of the Company (with the conflicted Director Mr Hammer abstaining) have determined that the award of shares to the Managing Director of the Company in lieu of FY2022 STI cash bonus is reasonable and appropriate.

ASX Listing Rule 10.11

ASX Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, the Company, as a listed company, must not issue equity securities to persons in a position of influence without Shareholder approval.

A person in a position of influence for the purposes of Listing Rule 10.11 includes:

- (a) A related party;
- (b) A person who is, or was at any time in the 6 months before the issue of agreement, a substantial (30%+) holder in the Company;
- (c) A person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the Company and who has nominated a director to the board of the Company pursuant to a relevant agreement which gives them a right or expectation to do so;
- (d) An Associate of a person referred to in (a) to (c) above; and
- (e) A person whose relationship with the Company or a person referred to in (a) to (d) above is such that, in the ASX's opinion, the issue or agreement should be approved by Shareholders.

As Justus Hammer a Director of the Company, is a person in a position of influence for the purposes of Listing Rule 10.11.

The proposed issue does not fall within any of the exceptions in Listing Rule 10.12, and therefore requires the approval of the Company's Shareholders under Listing Rule 10.11.

To this end, Resolution 11 seeks the required Shareholder approval to issue the fully paid ordinary shares to Justus Hammer under and for the purposes of Listing Rule 10.11.

If approval is obtained under Listing Rule 10.11, in accordance with Listing Rule 7.2 (exception 14), separate approval is not required under Listing Rule 7.1. If Resolution 11 is passed, the Company will be able to proceed with the proposed issue of shares in lieu of FY22 STI cash bonus.

If Resolution 11 is not passed, the Company will not be able to proceed with the proposed issue and will revert back to cash in lieu of the shares as proposed in the Resolution.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either:

- (a) The giving of the financial benefit falls within one of the exceptions to the provisions; or
- (b) Shareholders approval is obtained prior to the giving of the financial benefit.

The proposed issue of shares (which is a type of equity security, for the purposes of the Chapter 2E of the Corporations Act) constitutes the giving of a financial benefit.

A "related party" for the purposes of the Corporations Act and the Listing Rules is widely defined and includes a director of a public company, a spouse of a director of a public company or an entity controlled by a director of a public company. The definition of "related party" also includes a person whom there is reasonable grounds to believe will become a "related party" of a public company.

The other non-conflicted Directors of the Company considered the proposed issue of shares to Mr Hammer and formed the view that the giving of the financial benefit to that Director was reasonable given the circumstances of the Company.

Accordingly, the non-conflicted Directors of the Company believe that the issue of these shares to Mr Hammer, Managing Director of the Company falls within the "reasonable remuneration" exception as set out in section 211 of the Corporations Act, and relies on this exception for the purposes of this Resolution.

Therefore, the proposed issue of shares requires Shareholder approval under and for the purposes of Listing Rule 10.11 only.

Directors Recommendation

The Board of Directors (excluding Mr Hammer) recommend that Shareholders vote for this Resolution.

Resolution 12 - Approval of Issue of Options to Justus Hammer, Managing Director of the Company

Background

This Resolution seeks Shareholder approval to issue and allot a maximum of 226,220 Options to Justus Hammer, Managing Director of the Company.

The Directors of the Company (with the conflicted Director Mr Hammer abstaining) have determined that the award of Options to the Managing Director of the Company in lieu of FY2022 STI cash bonus is reasonable and appropriate.

A summary of the material terms of the Options are as follows:

Director and Related Party Approvals

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire securities under an employee incentive scheme unless it obtains the approval of its shareholders:

- (a) a director of the Company;
- (b) an associate of a director of the Company; or
- (c) a person whose relationship with the Company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders.

As Justus Hammer is a Director of the Company, the proposed issue of Options constitutes the acquisition of securities under an employee incentive scheme for the purposes of Listing Rule 10.14 and therefore requires the approval of the Company's shareholders under Listing Rule 10.14.

To this end, this Resolution seeks the required Shareholder approval to issue the Options to Justus Hammer under and for the purposes of Listing Rule 10.14.

If approval is obtained under Listing Rule 10.14, in accordance with Listing Rule 10.12 (exception 8), separate approval is not required under Listing Rule 10.11.

If this Resolution is passed, the Company will be able to proceed with the proposed issue of Options.

If this Resolution is not passed, the Company will not be able to proceed with the proposed issue of Options.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions to the provisions; or
- (b) Shareholder approval is obtained prior to the giving of the financial benefit.

The proposed issue of Incentive Securities constitutes the giving of a financial benefit.

A "related party" for the purposes of the Corporations Act and the Listing Rules is widely defined and includes a director of a public company, a spouse of a director of a public company or an entity controlled by a director of a public company. The definition of "related party" also includes a person whom there is reasonable grounds to believe will become a "related party" of a public company.

The non-conflicted Directors of the Company considered the issue of Options to Justus Hammer, and formed the view that the giving of this financial benefit as part of their remuneration would be reasonable, given the circumstances of the Company, the quantum and terms of the Options, and the responsibilities held by Justus Hammer in the Company.

Accordingly, the non-conflicted Directors of the Company believe that the issue of these Options to Justus Hammer fall within the "reasonable remuneration" exception as set out in section 211 of the Corporations Act, and relies on this exception for the purposes of this Resolution. Therefore, the proposed issue of Options to Justus Hammer requires Shareholder approval under and for the purposes of Listing Rule 10.14 only.

Information Required by ASX Listing Rule 10.15

The following information in relation to the issue of Options to Mr Hammer is provided to Shareholders for the purposes of ASX Listing Rule 10.15:

- (a) The allottee is Mr Justus Hammer;
- (b) Mr Hammer is a Director of the Company and therefore, considered a related party.
- (c) The maximum number of Options issued are 226,220.
- (d) The value of the Options being issued in lieu of cash bonus is \$0.127 per option and forms part of Justus Hammers remuneration package. The fair value of the options was calculated using a Black-scholes model). The Options will be offered for nil cash consideration.
- (e) There will be no loan made to the person in relation to the issue of Options.
- (f) Funds will not be raised from the issue of these Options until the director exercises the Options to acquire ordinary shares.
- (g) The current total remuneration package received by the relevant Director is A\$320,000 per annum.
- (h) The Options will be issued within 1 month of Shareholder approval being obtained by the Company (or otherwise, as determined by the ASX in the exercise of their discretion).
- (i) Since the Equity Incentive Plan was established upon listing on ASX in March 2021, the Company has not issued any securities under the Plan to Justus Hammer.
- (j) The proposed grant of the Options are seen as a means to reduce the cash payments that would otherwise be payable to directors during the relevant period and form part of the Company's initiatives to reduce cash outflows.
- (k) Details of any securities issued under the Plan will be published in each annual report of the Company relating to a period which securities have been issued, and that approval for the issue of securities was obtained under ASX Listing Rule 10.14. Any additional persons who become entitled to participate in the Incentive Plan after the resolution was approved and who were not named in the notice of meeting will not participate until approval is obtained under ASX Listing Rule 10.14.

Directors Recommendation

The Board of Directors (excluding Mr Hammer) recommend that Shareholders vote for this Resolution.

Resolution 13 - Approval of Issue of Shares

Background

This Resolution seeks Shareholder approval to issue and allot up to 9,000,00 fully paid ordinary shares to Gassett Group Pty Ltd ACN 603 552 067 trading as "Waggly Club" (**Waggly Club**), a dog treats and toys subscription club.

Mad Paws announced on 8 June 2021 that it had entered into an agreement to acquire Waggly Club, one of Australia's largest dog treats and toys subscription business. Key terms of the acquisition were:

- A\$2 million upfront cash consideration payable at completion (Upfront Consideration);
- A\$1 million in Mad Paws shares payable as deferred purchase consideration and issued on 28 June 2021 at an issue price of \$0.25 per share (Deferred Consideration); and

- an additional amount of up to A\$500,000 to be payable in cash after completion as an earn out payment, subject to the Waggly Club business achieving agreed revenue-based performance hurdles during any 12 month window commencing on completion and ending on 31 December 2022 (Earn-Out Payment).

As announced by the Company on 13 October 2022, the Company has entered into a Deed of Amendment with respect to the 100% acquisition of the shares in Waggly Club that was previously announced and completed on 8 June 2021.

Mad Paws and the vendors of Waggly Club agreed to amend the sale agreement to amend the terms of the Earn-Out Payment as follows:

- the Earn-Out Payment is now fixed at \$450,000, and will be paid 100% in Mad Paws ordinary shares (Earn-Out Consideration Shares); and
- payment of the Earn-Out Payment is not subject to any conditions and the Earn-Out Consideration Shares will be issued on 8 December 2022 (being 18 months after the completion date) at a per share issue price which is the higher of (i) a 10% discount to the 10-day volume weighted average price ending 7 December 2022; and (ii) \$0.05.

The amendments to the Earn-Out Payment reduce the overall value of the Waggly Club transaction to \$3.45 million (down from a potential maximum of \$3.5 million). The change from cash to scrip consideration will reduce Mad Paws' total cash outlay for the acquisition down to \$2m (from a potential maximum of \$2.5m) and result in \$450,000 in additional securities being issued in comparison to the original deal structure.

The exact number of Earn-Out Consideration Shares to be issued is not yet known but will not exceed 9 million Earn-Out Consideration Shares (based on the 5c floor price). Based on the MPA last closing price of \$0.13 at 12 October 2022, 3.846 million shares would be issued at an issue price of \$0.117.

The effect of this Resolution is for Shareholders to approve the issue of up to 9,000,000 to fall within an exception to ASX Listing Rule 7.1, which will allow the Company to issue these without using the Company's 15% capacity under Listing Rule 7.1.

ASX Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

An issue of equity securities that is approved by the Company's Shareholders under Listing Rule 7.1 will not use up the Company's 15% limit and therefore does not reduce the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1.

The Company wishes to retain flexibility to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, this Resolution seeks Shareholder approval to approve the issue of the fully paid ordinary shares under and for the purposes of Listing Rule 7.1.

If this Resolution is passed, the issue of up to 9,000,000 will be excluded in calculating the Company's 15% limit in Listing Rule 7.1 to issue equity securities without Shareholder approval over the 12 month period following the date on which the fully paid ordinary shares are issued.

If this Resolution is not passed, and the Company proceeds with the issue, the shares will be included in calculating the Company's 15% limit in Listing Rule 7.1 to issue equity securities without

Shareholder approval over the 12 month period following the date on which the shares are issued.

Information Required by Listing Rule 7.3

The following information is provided to Shareholders for the purposes of Listing Rule 7.3:

- a. The allottee is Gassett Group Pty Ltd ACN 603 552 067 trading as “Waggly Club” (Waggly Club), a dog treats and toys subscription club.

- (A) for the purposes of complying with or conforming to present or future legislation governing or regulating the Plan or like plans;
 - (B) to correct any manifest error or mistake;
 - (C) to allow the implementation of a trust arrangement in relation to the holding of Share Awards granted under the Plan;
 - (D) for the purpose of complying with the Applicable Laws; and/or
 - (E) to take into consideration possible adverse taxation implications in respect of the Plan including changes to applicable taxation legislation or the interpretation of that legislation by a court of competent jurisdiction or any rulings from taxation authorities administering such legislation; or
- (ii) an amendment agreed to in writing by the relevant Participant(s).
- (c) Subject to the Listing Rules, the Board may determine that any amendment to these Rules or the terms of Share Awards granted under the Plan be given retrospective effect.
 - (d) Any amendment of these Rules or the terms and conditions upon which Share Awards are granted under the Plan by the Board will be of immediate effect unless otherwise determined by the Board.
 - (e) As soon as reasonably practicable after making any amendment to these Rules or the terms and conditions of Share Awards granted under the Plan, the Board will give notice of the amendment to any Participant affected by the amendment. Failure by the Board to notify a Participant of any amendment will not invalidate the amendment as it applies to that Participant.

18.2 Amendment by addendum

Subject to any other provision of these Rules, the Board may from time to time amend the terms of this Plan as they will apply to Participants in particular jurisdictions or circumstances by means of an addendum to these Rules.

19 TERMINATION OR SUSPENSION

19.1 Termination or suspension

Subject to clause 19.2, the Board may at any time terminate the Plan or suspend the operation of the Plan for such period or periods as it thinks fit.

19.2 Resolution to terminate, suspend, supplement or amend

In passing a resolution to terminate or suspend the operation of the Plan, the Board must consider and endeavour to ensure that there is fair and equitable treatment of all Participants.

20 RIGHTS OF EMPLOYEES

20.1 General

Nothing in these Rules or the terms of any Share Award:

- (a) confers upon an Eligible Participant to participate in the Plan;
- (b) confers upon an Eligible Participant a right to a grant or offer of a grant of Share Awards;
- (c) confers on an Eligible Participant or a Participant the right to continue as an employee or officer of a Group Company (as the case may be);
- (d) affects the rights of a Group Company to terminate the employment or office of an Eligible Participant or a Participant (as the case may be);
- (e) affects the rights and obligations of any Eligible Participant or Participant under the terms of their office or employment with any Group Company;
- (f) confers any legal or equitable right on an Eligible Participant or a Participant whatsoever to take action against any Group Company in respect of their office or employment; or
- (g) confers on an Eligible Participant or a Participant any rights to compensation or damages in consequence of the termination of their employment or office by a Group Company for any reason whatsoever including ceasing to have rights under the Plan as a result of such termination; or
- (h) confers any responsibility or liability on any Group Company or their respective directors, officers, employees, representatives or agents in respect of any taxation liabilities of the Eligible Participant or Participant.

20.2 No future rights

An Invitation to participate in the Plan and the grant of Share Awards on acceptance of an Application on a particular basis does not create any right or expectation of an Invitation to participate in the Plan or the grant of Share Awards on the same basis, or at all, in the future.

20.3 Control

The Participants will not have any control over the operation of the Plan irrespective of any rights they may have under these Rules.

20.4 Advice

- (a) There are legal and tax consequences associated with participation in the Plan. Eligible Participants should ensure that they understand these consequences before accepting an invitation to participate in the Plan.
- (b) Any advice given by or on behalf of the Company is general advice only, and Eligible Participants should obtain their own independent advice at their own expense on the financial, taxation and other consequences to them relating to participation in the Plan.

20.5 Tax reimbursement

The Board may, at the time of an Invitation, provide that the Participant is required to reimburse the Company in the event that any Group Company is obliged to account for Tax in connection with, or as a result of, the allocation or transfer of Share Awards to the Participant.

21 REGULATORY RELIEF

- (a) Notwithstanding any other provisions of the Plan, every covenant or other provisions set out in an exemption or modification granted from time to time by ASIC and/or any other regulatory body (as applicable) in respect of the Plan or which applies to the Plan pursuant to their power to exempt and modify the Corporations Act and/or any other Applicable Laws and required to be included in the Plan in order for that exemption or modification to have full effect, is deemed to be contained in the Plan. To the extent that any covenant or other provision deemed by this clause 21(a) to be contained in the Plan is inconsistent with any other provision in the Plan, the deemed covenant or other provision will prevail.
- (b) Without limiting clause 21(a), where an Invitation is made under the Plan in reliance on the Class Order, the Board must, at the time of making the Invitation, have reasonable grounds to believe that the number of Shares that may be issued or transferred to the Participant pursuant to the Invitation will not exceed 5% of the total number of Shares on issue when aggregated with the number of Shares issued or that may be issued as a result of offers made at any time during the previous 3 year period under:
 - (i) the Plan or any other employee incentive scheme covered by the Class Order; or
 - (ii) an ASIC exempt arrangement of a similar kind to an employee incentive scheme,

(Plan Limit). For the avoidance of doubt, offers under the Plan that are not made in reliance on the Class Order or other ASIC class order or case-by-case relief are not included in the Plan Limit calculation, for example:

- (iii) an offer to a person situated at the time of receipt of the offer outside Australia;
- (iv) an offer that did not need disclosure to investors because of section 708 of the Corporations Act;
- (v) an offer that did not require the giving of a product disclosure statement because of section 1012D of the Corporations Act; or
- (vi) an offer made under a disclosure document or product disclosure statement.

The Plan Limit shall be subject to adjustment or increase pursuant to the Plan Rules or as may otherwise be permitted by Applicable Law.

22 LIABILITY

None of the Group Companies, any plan administrator and their respective directors and employees and professional advisers are liable for anything done or omitted to be done by such person or any other person with respect to:

- (a) the price, time, quantity or other conditions and circumstances of the acquisition of Award Shares;
- (b) any fluctuations in the market price of Shares; and
- (c) anything done in connection with the Plan,

except for the gross negligence, dishonesty, fraud or wilful default of such person.

23 BREACH BY A PARTICIPANT

Subject to the Applicable Law, if a Participant breaches any of their obligations under these Rules, a Group Company may set-off the value of any benefit derived or held by that Participant and any loss incurred by any Group Company as a result of such breach, against any amounts payable by any Group Company to the Participant, whether such amounts are payable on termination of employment or otherwise.

24 NON-EXCLUSIVITY

24.1 Non-exclusivity

This Plan will not be deemed to be the exclusive method of providing incentive compensation to Eligible Participants, nor will it preclude any Group Company from

authorising or approving other forms of incentive compensation for employees of any Group Company.

24.2 Relationship to other equity plans

Participation in this Plan will not affect or be affected by any participation in any other employee equity plan operated by any Group Company, except as specifically provided in the terms of that other plan.

25 MISCELLANEOUS

25.1 Enforcement

These Rules, any determination of the Board made pursuant to the Rules, and the terms of any Share Award granted under the Plan, will be deemed to form a contract between the Company and the Participant.

25.2 Listing Rules

While the Company remains admitted to the ASX or any other recognised stock exchange, the provisions of the relevant Listing Rules will apply to the Plan, and to the extent that the Plan and the Listing Rules are inconsistent, the provisions of the relevant Listing Rules will apply.

25.3 No fiduciary capacity

The Board may exercise any power or discretion conferred on it by these Rules in the interest or for the benefit of the Company, and in so doing the Board is not required to act in the interests of another person or as requested by another person and will not be under any fiduciary obligation to another person.

25.4 Costs and expenses

The Company will pay all costs, expenses and charges incurred in relation to the establishment and operation of the Plan.

25.5 Duties and taxes

- (a) The Company is not responsible for any duties or Taxes which may become payable by a Participant or any other person in connection with the issue or transfer of Share Awards or any other dealing with Share Awards. Each Participant is responsible for the income tax (including any levies, charges and surcharges imposed or collected with income tax) and superannuation liabilities arising in connection with any grant of or dealing in a Share Award. A Group Company may account for such liabilities, including by withholding or deducting such liabilities from any entitlements of a Participant or as otherwise set out in these Rules.

- (b) Neither the Company nor any adviser to the Company or the Board represents or warrants that the Plan will have any particular taxation or financial consequences or that any Eligible Participant or Participant will gain any taxation or financial advantage by participating in the Plan.

25.6 Data protection

By providing an Application in accordance with these Rules, each Participant consents to the holding and processing of personal data provided by the Participant to the Company and any Group Company or plan administrator for all purposes relating to the operation of the Plan. These include, but are not limited to:

- (a) administering and maintaining Participants' records;
- (b) providing information to registrars, brokers or third party administrators of the Plan;
- (c) providing information to future purchasers of the Company or the business in which the Participant works; and
- (d) transferring information about the Participant to a country or territory outside Australia.

25.7 TFN transfer

- (a) Each Participant, by accepting an Invitation, acknowledges that it may be desirable for the Participant to provide the Participant's TFN to a person in connection with the allocation of Share Awards and the operation and administration of the Plan, including:
 - (i) where the Company appoints a plan administrator to administer the Plan, the plan administrator; or
 - (ii) where the Company appoints a share registry service provider to administer the Company's share register, the share registry service provider.
- (b) Each Participant, by accepting an Invitation, agrees that the Company, on behalf of the Participant in connection with the Participant's affairs, may disclose the Participant's TFN to the such a person.
- (c) A Participant may, in writing to the Company, revoke the agreement in Rule 25.7(b) at any time.
- (d) The Company must use reasonable endeavours to procure that the recipient of a Participant's TFN uses the TFN for the purposes of the Participant's affairs only, and limit the use or disclosure of the TFN in accordance with Applicable Law and the privacy law as if the TFN had been provided to the recipient by the Participant.

25.8 Governing law

This Plan and any Share Award granted under it will be governed by, and must be construed according to, the laws of the State of New South Wales and the Commonwealth of Australia.
