About Mad Paws

Mad Paws operates Australia's leading online pet ecosystem, connecting pet owners with an ecosystem of high-quality services and products.

The Mad Paws pet ecosystem supports over 300,000 active pet owners, facilitating over 400,000 transactions last year, driven by the rapid growth in pet ownership and increased spending on pets in this \$30 billion Australian pet market.

The Mad Paws marketplace is the leading online platform for pet owners to book their pet sitting, walking, day care and grooming services, with one of over 40,000 registered pet carers Australia wide. With over 2 million pet care services since inception the Mad Paws pet services marketplace is the leading marketplace of its kind in Australia. Mad Paws also operates an online only e-Commerce division offering pet healthcare, prescription medicine, pet treats and specialty items to improve the every day life of Australian pets, with brands including Pet Chemist, Waggly and Sash beds.

Mad Paws is a purpose driven organisation and exists to enable pets to live their lives to the fullest, supporting owners through all stages of the pet lifecycle.
