Seven West Media Investment

Collaboration signifies our strategic alignment with industry leaders and underscores our commitment to building a strong and resonant brand presence, making Mad Paws a household name.

SWM has agreed to make a strategic investment of \$5.25 million in Mad Paws via a share placement, giving it a 10.8% stake in the company. The investment was priced at \$0.12 per share, representing a premium to the last traded price.

Payment for the \$5.25 million investment will be split between \$1.25 million in cash and the equivalent of \$4 million in advertising across Seven's television, publishing and digital media assets, which have a combined reach of more than 19 million Australians a month.

The cash funds from the strategic investment will be deployed to develop advertising and creative content as well as fast track Mad Paws progression to a single platform.

PROGRESS UPDATE

- The launch of our brand campaign is on track to debut in Q1 FY25.
- Internal Brand/Marketing teams have collaborated closely with Seven West Media and are in the final stages of selecting a creative agency.
- Current plan sees marketing spend including non cash contra to increase by 168% in 1H FY25 against pcp.

“ Mad Paws has built a high-quality digital eco-system over the past three years and is now in a strong position to consolidate and grow its brand via national brand marketing.

We know brand awareness is critical for driving trust and demand for a digital marketplace business. We look forward to working with the Mad Paws team to help them become a household name across Australia. ”

Glossary

Term	Definition	Calculation/Comment
GMV	Gross Merchandise Value	GMV is a non-IFRS measure, it represents the total value of transactions processed by Mad Paws, on a cash basis, before deducting pet service provider payments, cancellations and refunds, chargebacks, discounts and GST.
Operating Revenue	Non GAAP measure of revenue	Operating revenue is revenue recognised in accordance with IFRS before the deduction of promotional voucher cost for subscription customers
Operational EBITDA	Management's core earnings metric	Operational EBITDA (earnings before interest, tax, depreciation, amortisation and non-operating income and costs) is a financial measure which is not prescribed by Australian Accounting Standards ('AAS') and represents the profit under AAS adjusted for non-specific non-cash and significant items. The directors consider operational EBITDA to reflect the core earnings of the consolidated entity
LTM	Last Twelve Months	Refers to the trailing 12 month period ending on the reporting date, or as otherwise indicated
CAC	Customer Acquisition Cost	Refers to the cost to acquire a customer across the Group's brand and consists of performance marketing costs such as social, search, affiliates and general performance marketing costs
TAM	Total Addressable Market	Represent the current overall revenue opportunity of the Australian Pet market sourced from "Animal Medicines Australia, Pets and the Pandemic: A social research snapshot of pets and people in Australia" report
LTV	Lifetime Value	Lifetime Value = Customer marketplace GMV after cancellations multiplied by take rate % excluding GST for the period from the point the customer was acquired less payment fees. Lifetime value is taken for a period of up to 7 years where the data is available for that cohort.
